

Deluxe Cassette Recorder/Player

Model 5272AV

1. 10W RMS amplifier loud enough for classes up to 100 people and can be used for public address.
 2. 2 x 3 digit counter to locate lesson materials
 3. Rugged ABS plastic casing for added durability and school safety
 4. Auto stop preserves life of cassette tapes
 5. Separate tone and volume controls
 6. Built-in electret mic records student achievements and can't be lost or misplaced
 7. Six 1/4" headphone jacks and one combination headphone / speaker jack for group learning
 8. 1/4" auxilliary input connects other media players
 9. 3.5mm mic & 2.5mm remote dynamic mic inputs
- Runs on AC/DC power for indoor/outdoor uses
 - One year warranty for school use - unlike cassette players purchased from consumer electronics stores whose warranties would be voided if used in schools

The 5272AV Cassette Recorder/Player is built for reliability in demanding school environments. Ideal for ELL, ELD and foreign language applications with its 7 built-in headphone jacks for individual and group listening center use. Its Directional Sound™ feature is ideal for presentations by distributing the sound out to the audience, not up at the ceiling.

"Project Intercept"
